

CORAL

TALENTI

Available in a range of fabrics & finishes

The Coral Collection is inspired by modularity and is characterised by materials, such as aluminum and rope, that embellish the product and at the same time grant its quality in the long term. The clean lines and the balanced compositions are enriched by a series of accessories that allow a high level of usability and comfort. The theme of the rope is predominant and it is possible to find it also as detail in the handles of the seats, in the side table or in the pouf.
