

Name	MACARON S
Type	table lamp
ID	PC1038

Description

The MACARON table light pays homage to the beauty and complex structures of crystalline stone. Enclosed in opposing domes of delicate handblown glass, the stone becomes a moonscape afloat in its own cosmos. The light source casts its glow upward from the onyx base to energize the meandering chalcedony veins in the centre onyx plate and create a subtle and mesmerizing lighting effect. The concept is based on the principle of illuminating stone, and the name refers to the light's similarity in shape to the famed French meringue confection. Natural imperfections in the glass and the diversity of structures in the stone make each light a unique original. The purity of the natural materials and the artisanship applied in processing them have given rise to a light of extraordinary ambience. Produced using traditional techniques, MACARON is characteristic of the distinctive and enduring aesthetic of the BROKIS brand. MACARON comes in three sizes – the largest of which also makes an attractive floor light – and in several glass colour options with either white or honey onyx. The collection offers an alternate version featuring a centre plate made of fused glass shards in combination with a wooden base.

Technical description

Glass Colour

transparent glass	A	CGC23
smoke grey - transparent glass	A	CGC516
amber - transparent glass	A	CGC515
light pink - transparent glass	A	CGC46
dark rosé - transparent glass	A	CGC1625

Glass surface

glossy surface	A	CGSU66
----------------	---	--------

Base finish

onyx white	C	CSFB1535
onyx honey	C	CSFB1576
European oak - stained white	A	CSFB1575
European oak - stained black	A	CSFB1574

Plate finish

onyx white	C	CSOP1532
onyx honey	C	CSOP1533
BROKISGLASS - smoke grey matte	A	CSOP1577
BROKISGLASS - triplex opal matte	A	CSOP1578

Cable colour

textile cable - black	A	CECL519
textile cable - white	A	CECL521
textile cable - dark grey	A	CECL520
textile cable - light grey	A	CECL1918

Recommended Bulbs

230V, GX53, 10W, 2700K, 700lm, RA90, 100°, DIM	A	CEB717
