

# PRODUCT INFORMATION SHEET

BROKIS

Name NIGHT BIRDS PENDENT

Type pendent lamp

ID PC962

**Description**

Inspired by the abandon and freedom of bird flight, the innovative Night Birds suspension lights impart poetic enchantment and unparalleled dynamism to any interior. Night Birds differ from the other collections in the unique technology applied in production, which involves melting glass into a mold and then bending it. The process makes it possible to instill delicate nuances in the shape of the wings and achieve a coloration of the glass that is different and wholly unique each time. The collection's restraint and directness are underscored by the minimalist LED light source set in a body of lacquered and polished aluminum. Night birds comprises three lights with different wing attitudes depicting the various phases of bird flight. The lights are available in white and dark variants. Night Birds work best in large flocks.

**Technical description**

The technologies applied in the Night Birds collection are based on the principles of recycling, sustainability, and eco-friendly production. The base material used in making the lights is the waste glass generated in the production of other Brokis collections. The recycled glass material is subjected to several stages of processing combining traditional glassmaking techniques (hand grinding, sandblasting) with modern ones (melt molding, waterjet cutting, mold shaping) and resulting in a unique product that embodies both tradition and modernity. Each piece is an unrepeatable original with its own story. At the center of the Night Birds lights is an adjustable, hand-lathed aluminum body that serves to house the light source.

## Glass Colour

opal - opaque glass - massif	A	CGC772
smoke grey - massif	A	CGC882
smoke grey BROKISGLASS matte	A	CGC1480
triplex opal BROKISGLASS matte	A	CGC1478

## Body finish

aluminium	A	CCS775
-----------	---	--------

## Canopy finish

aluminium	A	CCSC843
-----------	---	---------

## Cable colour

textile cable - black	A	CECL519
textile cable - white	A	CECL521
textile cable - light grey	A	CECL1918
transparent cable	A	CECL149

## Recommended Bulbs

230V, GU10, 5W, 2700K, 336lm, RA90, 100°, DIM	A	CEB825
---	---	--------
