

# MIXIS AIR COLLECTION

## • CRASSEVIG

DESIGNER: MARIO FERRARINI

## CRASSEVIG

The Mixis Air project gives shape to a versatile seating concept. The polypropylene shell can be combined with different bases: with four wooden or metal legs, metal sled, wooden tripod, aluminium tripod with or without wheels, five aluminium spokes with wheels. Available in various colours, with or without upholstered seat, Mixis-Air lends itself to a multitude of spaces, uses and combinations, for both indoor and outdoor use.
