

# OLE CHAIR

• CRASSEVIG

DESIGNER: LUDOVICA & ROBERTO PALOMBA

## CRASSEVIG

This model is a perfect representation of Crassevig philosophy: a single shell, 12 millimetres thick, made of skilfully moulded oak plywood with holes of different sizes and shapes blending in a fascinating interplay of space and volumes. Pure design, with its unique and dynamic air it is an original solution for furnishing commercial and living spaces. Winner of 'Best of 2007' Interior Design Award Category: Seating – residential/Dining.
