

EMMA OUTDOOR

CRASSEVIG

DESIGNER: SVEN DOGS DESIGN

CRASSEVIG

A refined balance gives life to Emma Soft chair, creating a visually pleasing and ergonomic form. Emma Soft seats are just right for architects and designers who are looking for a light and welcoming collection: a soft cushion embraces the essential and elegant line, guaranteeing unique comfort on the backrest and seat, yet with all the resistance of the coated steel at its base. The material customisation turns Emma into a versatile concept for private and contract spaces.
