

SOSPESO TABLE

• CRASSEVIG

DESIGNER: LUDOVICA & ROBERTO PALOMBA

CRASSEVIG

Lightness, essentiality and dynamism, with no sacrifice of stability, are the foundations of the concept that led to the realisation of Sospeso. The three-legged frame of beech veneered elliptical steel tubes supports a circular top made of beech plywood. Also available in rectangular shape with four legs and rounded edges, and in a wide range of colours.
