

ALUN UP BED

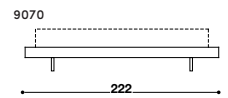

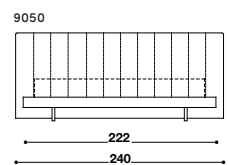

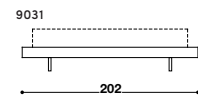

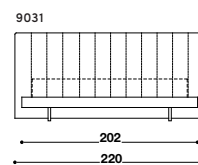

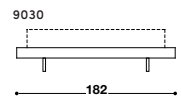

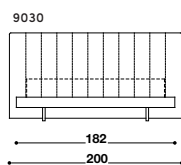

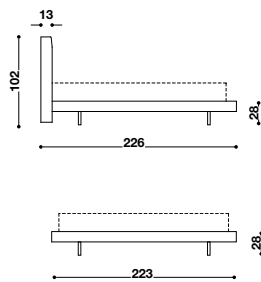

DÉSIRÉE

Available in a range of sizes & fabrics

The Alun Up Bed presents a luxurious style who combines classic forms with elegance. In this version, the silhouette of the bed has been significantly reduced by removing the container for bedding from the base. In this way, this solid construction of wood and metal gained airy and light aesthetics, additionally underlined with a precisely upholstered finish. However, the refined pedigree of the bed was not forgotten, which is manifested in the artful headboard with vertical fabric seams.
