- 6 Polyester fibre filled cotton fabric
- 7 Polyester fibre bonded with velveteen

Suspension system

- 8 Elastic straps

Base

- 9 Solid wood

Cover

Completely removable fabric or leather covers

Notes

The Two-tone cover is made of two fabric options with the same care requirements.

The Decò Y cover is made by combining Vintage leather with a fabric that can be washed in water.

Dry cleaning and all other chlorine-based treatments damage leather.

It is advisable to combine toned colours together to prevent the shades from altering when washed.
