

KARA LOUNGE CHAIR

désirée 

DÉSIRÉE

DESIGNER: MARC SADLER, 2008

Designed by Marc Sadler, the Kara chair pays tribute to furniture elegance and extreme comfort. Its leather-upholstered cushions were especially developed to ensure the ultimate level of comfort and can curve according to the user's position.

The finishes of the Kara armchair have been extended to offer new, textured, warm and reassuring materials such as Creta leather, heat-treated chestnut and burnished metal.

KARA LOUNGE CHAIR

Armchair/Ash (29 001010)
