

# WING LOUNGE CHAIR

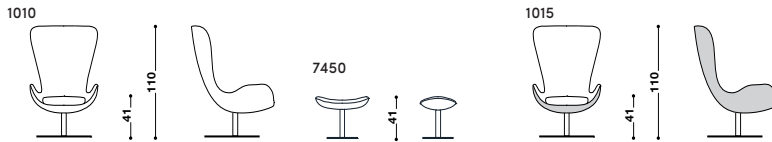

## DÉSIRÉE

Available in a range of leathers & fabrics

The Wing armchair has a light, sinuous structure with a wide, tall, gently encircling backrest, that reminds a pair of wings. The structure is made from two layers of polyurethane, stiffer on the outer edges and softer towards the middle. The base in brushed, graphite nickel metal has a pleasant, irregular shape. The cover, completely upholstered, comes in the two-tone and decò versions.
