DÉSIRÉE

DESIGNER: MARC SADLER 2017-2020

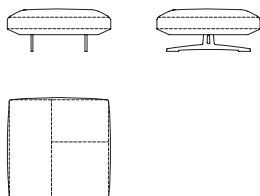

A freestanding sofa designed for moments of togetherness: self-bearing and adjustable backs with a linear or curved shape can be positioned as desired to guarantee perfect comfort no matter the form.

The range of elements – available in various sizes, depths and with different covers (quilted for the chic version) – guarantees extensive customisation and flexibility in terms of arrangements. The sculptural, metal base raises the sofa off the floor, conveying visual lightness.
