## DÉSIRÉE

DESIGNER: R&S DÉSIRÉE 2020

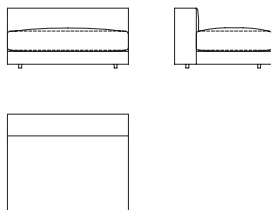

Von is a soft furnishing project with evergreen lines that looks perfect in any type of home; a sofa that embodies the pleasant experience of comfort.

Featuring the harmonious relationship between the volumes of its elements: the high and low armrests; the soft seat cushions with a polyurethane insert wrapped in feathers or, alternatively, in Dacron and the feather and fibre-filled back cushions. The latter can be supported by a roll cushion for the lower back.
