## DÉSIRÉE

DESIGNER: R&S DÉSIRÉE, 2010

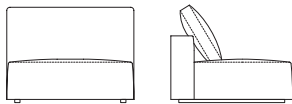

Elegance and comfort but above all an ageless taste that survives passing fads. The extensive modularity leaves room for creativity, for a project of refined elegance and reassuring.

The model offers a complete and differentiated seating comfort, thanks to soft foam padding and a calculated relationship between depth and height of the seat and backrest. The armrests in two heights, are characterised by a gentle bulge on the seat side. Available as an optional roll backboard.
