

MILOS SOFA

DÉSIRÉE

Available in a range of configurations & finishes

The Milos sofa is a cosy island to lie on, relax in and let yourself go. Distinguished by an oval shape with a removable backrest, it is a comfortable and multi-purpose element that fits into various spaces and is adaptable to suit any occasion – formal or informal. Milos expresses all its personality through its sinuous lines and its original decorative seams that are in tone with the cover.
