

POLYURA TABLE COLLECTION

DITRE ITALIA

Available in a range of sizes

The three Polyura coffee tables are inspired by the Papilo sofa which they complement in an organic way. In an ideal arrangement, the largest tabletop emerges from under the sofa like a platform/coffee table. Nevertheless, it can of course be used in different ways. The shape of the tops and legs coherently complements its minimalist design. It's available in three finishes: Eucalyptus, Grey wood and lacquered glass for the round table, three sizes and three heights.
