

HULI LOUNGE CHAIR

FRIGERIO

DESIGNER: FEDERICA BIASI

Frigerio

Refined lounge chair designed by Federica Biasi, delicate and light in its character inspired by the stylistic features of Nordic design, the Huli armchair expresses the passion for quality and detail shared by Frigerio and Federica Biasi. The structure of the Huli lounge chair is proposed in solid wood. The armchair Huli is characterized by the play of soft lines, where the front legs continue in the arch of the backrest and cross the seat, which extends into the rear support point. Seat and backrest are distinguished by the particular braid rope. A traditional process for a product with a strong contemporary taste, in terms of volume and choice of materials.
