

FOSTER SOFA

Frigerio

FRIGERIO

DESIGNER: GIANFRANCO FRIGERIO

Vigorous character given by the strong geometrical cuts of the structure, to which the softness of the seat and back cushions are counterposed, define the intense contemporary soul of the collection of sofas and sectional elements of Foster with floor-base. A perfect proposal for the domestic living yet with a strong hospitality calling also thanks to the two available back heights: Low and High. The first one is more traditional, while the second is more decorative, highlighting enveloping features. To be selected separately or to be mixed up to create peculiar scenographic configurations, they become main character of every environment. Foster assures a wide planning freedom thanks to a two- and three-seater sofas versions and to the different elements composing the sectional: central, terminal, corner, chaise longue, dormeuse, squared and semi-circular stools. Unique shaped modules are thought to break with a contemporary character the linearity of the configurations. The cover removable in fabric or fixed in leather is enriched with piping tone-on-tone or in contrast, a typical refined detail of the tailoring knowledge of Frigerio.

TECHNICAL FEATURES

Structure: Plywood padded with non-deformable polyurethane foam covered with doubled protective fabric

Seat cushion: non-deformable polyurethane foam

Back cushions: goose down (Assopiuma)

Feet: Black

Cover: removable in fabric, fix in leather

Piping: On structure and seat cushion, in the same material and colour as the cover or on request in contrast exclusively in Grosgrain.

ACCESSORIES

Decorative cushions: In specific sizes in goose down

Corner element: Element for corner solution

Pouf: Collection of coordinated poufs in different sizes
