DESCRIPTION:

The Balmain collection takes a 'different path'. Harbour Outdoor has long been known for its sleek, angular, modern designs. The Balmain is the first rounded-back Harbour product, and this makes it stand out in the crowd of straight-line designs. A thick, plus cushion hugs the rounded base for something a little more snug.

PROTECTIVE COVERS:

Protect your investment with water-repellent Sea-Sprae® fabric; protective backside coating, UV resistant.
