

Amelie Collection

design Roberto Paoli — 2023

CONTEMPORARY RETRO

Amelie reveals itself as an enchanting collection that gives the illusion of suspension in space thanks to its vertically extended backrest. The seat, unlike the backrest, widens horizontally, expanding in an unusual way and accentuating the slender frame. This bold balance between retro elements and a contemporary aesthetic offers an innovative interpretation of the classic, where style blends harmoniously with comfort.

Amelie S M TS Chair
