

Isabelle Chair

Design Team Saba Project

Anno di produzione 2018

Production year 2018

[It] — Una sedia come un piccolo racconto femminile: discreta e raffinata, calma e semplice.

Una cover tonda accentuata dalla sartorialità del tessuto, velluto in esterno e jacquard boucle all'interno.

Piccoli salotti impreziositi dalla luce dell'ottone satinato.

Struttura

In legno di betulla multistrato curvato con poliuretano espanso 30IP rivestito con fibra poliestere 100 gr/mq.

Piedini

In ferro verniciato o cromato dal diametro 18 mm.

Imbottitura

Cuscino seduta realizzato con poliuretano espanso a quote differenziate (40IP – 30IP) rivestito in fibra di poliestere 100 gr/mq.

[En] — A whimsical, feminine seat: discreet and refined, calm and simple. The rounded shape is accentuated by the sumptuous fabric, velvet on the outside and boucle jacquard on the inside. Small living rooms are turned into luxurious spaces with the light coming from the polished brass.

Structure

In plywood curved birch with polyurethane foam 30IP covered with polyester fiber 100 gr/sqm.

Feet

In 18 mm of diameter painted or chromed iron.

Padding

Seat cushion made with variable-density polyurethane foam (40IP – 30IP) covered with polyester fiber 100 gr/sqm.
