

Sum

A modular system that adapts to any space and need. The base module, an elegant square element, can be used individually as a pouf or transformed into a modular sofa with backrests, corners, and armrests. Endless combinations for a truly unique style.

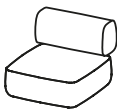

Sum

A family of upholstered seating, modular and freely configurable. The supporting structure is made of steel, with a concealed base and connection system. The upholstered modules are made of multi-density polyurethane foam. The collection is fully removable and disassemblable, allowing for material reuse or recycling.
